## Marlborough Parks & Recreation Summer Day Camp Counselor In Training Program Information

#### What is a CIT?

Counselors In Training help the camp counselors and directors monitor campers, set up games and activities and learn about becoming a camp counselor. This is an exciting opportunity for personal growth, learn leadership skills, and gain experience towards future job opportunities.

## **Application Procedure:**

- 1. Anyone interested in being a CIT must apply and will go through an interview/screening process. Application is not an automatic confirmation. We will conduct screenings as applications come in.
- 2. There will be a maximum of 6 CIT's per week.
- 3. You may apply to work up to four weeks. In the event we have space, we may be able to accommodate more than four weeks, but that will be determined by early May. Deadline to return application is April 17, 2015. After that date we will only accept applications if the slots are not filled.
- 4. If selected there will be a \$40 per week fee which covers field trips, t-shirt, any special activities and solidifies commitment. June 29-July 2 will be \$32.
- 5. If you are selected to work as a CIT, you will be contacted with more details, any training dates, and for payment information.

## **Requirements:**

- 1. Entering grades 8-11
- 2. Be available to work 9-3:30pm Monday Friday for each week you are selected to work.
- 3. Participate in camp activities with a positive attitude, following the direction of the counselors/directors.
- 4. Follow all rules of the camps.
- 5. Understand you are there as a worker first, not a camper. Participation in activities will be determined by who is supervising you. Which means you may be asked to do an activity where the most help is needed not necessarily your favorite activity.
- 6. Act in a safe and responsible manner with ALL campers including siblings.
- 7. Wear sneakers and CIT shirt at all times.

#### Dismissal:

Being a CIT is a responsibility and one to be taken seriously. The Day Camp Directors reserve the right to contact CIT's parent/guardian and release any CIT who does not fulfill their obligations and/or behaves in an inappropriate manner. Improper behavior causes danger to the children at camp. When staff members are forced to deal with discipline issues of a CIT, their attention is taken away from the campers. Please be aware CIT's must be on their best behavior in order to retain their positions as a CIT.
