

## **Description of Camp Activities and Field Trips**

**Laser Tag/Bowling-** Campers will attend a day full of fun and activities at Fun Squared Laser Tag and Bowling Center in Newington, CT. Activities include small ball bowling, laser tag, arcade, and snack bar. Unlimited rounds of bowling and laser tag are included in this field trip and campers are sure come home with exciting stories of victory!

**Bounce-U-** Campers will be “bouncing” with joy when they see all the fun and excitement Bounce U has to offer! Bounce-U is located in Rocky Hill, CT. Campers will have the opportunity to navigate through inflated obstacle courses and spend quality time with their friends playing during an Open Bounce session at Bounce-U. Parents have voted Bounce-U as the best spot for letting loose and having a great time!

**Ocean Beach-** Our most popular field trip is back for another season at Marlborough Day Camp! Located in New London, CT, Ocean Beach Park provides access to the beach, Olympic size pool, 18-hole miniature golf course, gigantic game room, boardwalk café food court, and much more! Campers will not be disappointed with all the fun Ocean Beach Park has to offer!

**Soarin’ Indoors (New England’s First Aerial Adventure Center) -** Campers will be flying high with excitement over this new field trip! Soarin Indoors is built to offer high and low obstacle courses that consist of challenging elements that are waiting for you to conquer! Elements include wobbly rope bridges, cargo nets to scale across, zip lines to ride down, and tricky swings to navigate across. Most visitors find the elements on the lower course fairly easy to overcome, though younger guests will find plenty to keep them occupied on the lower course alone! The challenges are arranged one after the other roughly by increasing order of difficulty. All the elements on both courses are designed to get you to problem solve and push your endurance, but still be conquerable by even the most novice climber.

The safety system is the same for both courses - you will securely clip into steel safety cables with 2 steel carabineers attached to a harness that staff will provide us with when we arrive. The cables are the same height on both the upper and lower courses - meaning that every guest tall enough to start the course can conquer every event in the course room. As the footprint of the courses are small compared to alternative outdoor adventure courses, you can be sure that our adventures on both of courses will be monitored at all times by trained guides walking the course grounds for the duration of our visit. This is a field trip you do not want to miss!

**Tigers Baseball Game (Camp Day) -** Campers will get in on all the action at Dodd Stadium in Norwich, CT during Camp Day 2015! The CT Tiger’s are back for another winning season of baseball and they are excited to show off all of their talent! Campers will experience all the thrills of a professional baseball game including premium seats, access to the gift shop, and all the ballpark food and drinks the stadium has to offer! At the end of the game, campers will have the opportunity to run the bases with all of their friends!

**Mystic Aquarium-** Get ready to dive in on all the fun Mystic Aquarium has to offer! Mystic Aquarium is a great place for campers to get up close and personal with all kinds of aquatic animals and creatures! During our day at Mystic Aquarium, campers will have the opportunity to visit the “touch tanks” and see a live show! We will eat our lunch in their picnic area and have the chance buy snack and gifts in their cafes and stores. This field trip is sure to have all the campers talking and have stories to bring home to share with their family and friends!

**Advanced SportsPlex and Rose’s Berry Farm-** Located in Middletown, CT, Advanced SportsPlex and Training Center is a state of the art facility that offers a campers a gigantic turf field to play and interact with their friends all day long! It is a great place for campers to practice their sports skills including soccer, kickball, dodge ball, baseball and more! Equipment will be provided and additional activities such as batting cages are included in this fun filled trip! When the campers are weary of running around, we will enjoy our lunch at the sports complex then head over to Rose’s Berry Farm in Glastonbury, CT to soak up some sunshine and good food! Campers will have the opportunity to take a tractor ride to the blueberry patches and pick until their fingers are blue!

**Library and Computer Lab (Every Tuesday)-**Every Tuesday, all campers will walk down to the Marlborough Public Library and spend a quiet ½ hour checking out their favorite books and magazines. This is a great opportunity to catch up on summer reading requirements or just take some time to enjoy a good book! When we return from the Library, campers will have the opportunity to visit the school’s computer lab and visit school approved websites such as BrainPop, Type to Learn, Xtra Math and more!

**Swimming Lessons (Offered Every Wednesday)-**New this year to Marlborough Day camp, campers will be provided with a swimming lesson, free of charge, offered by the Marlborough lifeguards at Blish Memorial Park. Students will practice their swimming skills and learn new strokes every morning for one hour by a trained lifeguard.

**\*\*All field trips and activities are included in the weekly fee for camp\*\***
